About the Organizer – Cyprus Photographic Society (CPS)

The Cyprus Photographic Society was founded in 1960 and in 1964 became a full member of the Federation Internationale de l'Art Photographique (FIAP).

In the following years, photography as an art form has expanded and its acceptance as a means of expression led to the establishment of the Society's activities. Since 1985 branches were created in four towns, Nicosia, Limassol, Pafos and Larnaca. Membership is open to all residents of Cyprus, irrespective of religion and origin.

CPS has established itself as a recognized artistic body, organizing annually both national and international prestigious photographic events, including competitions, exhibitions, seminars, lectures, photographic excursions and discussions.

General Terms of participation

The exhibition is open to anyone; however, an entry may be rejected when the sponsoring organization or its agent, in its reasonable discretion, believes the entry does not conform to the exhibition rules and conditions.

An entrant's images will not be presented to the judges consecutively. An entrant's four images will be distributed throughout four rounds of judging in that section. Distribution of images shall be in the same round order as submitted by the entrant. Entries must originate as photographs (image-captures of objects via light sensitivity) made by the entrant on photographic emulsion or acquired digitally. By virtue of submitting an entry, the entrant certifies the work as his own (aliases are not permitted). The entrant permits the sponsors to reproduce all or part of the entered material free of charge for publication and/or display in media related to the exhibition. This may include low resolution posting on a website.

Note: Entrants who indicate that their images may not be reproduced or used “will not be eligible for awards” or inclusion in audio-visuals of the exhibition “and could be subject to disqualification” by the exhibition sponsors.

Personal Data Protection

By entering this exhibition, you are explicitly consenting to the personal details you have supplied, including email addresses, being held, processed and used by CPS for purposes associated with this exhibition. You also explicitly consent to such information being sent to organizations which have accorded official recognition, patronage or accreditation to this exhibition. You acknowledge and accept that entering this exhibition means that the status and results of your entry may be made public.

Your email address and contact information will not be made public.

Full details on how we use your personal data and what your rights are, you can find in our published Privacy Policy on the web site of the exhibition.

Breach of Conditions of Entry

Terms set by FIAP

By the sole act of submitting his/her images or files to a salon under FIAP Patronage, the entrant accepts without exception and with no objection that the submitted images can be investigated by FIAP to establish if these obey to FIAP regulations and definitions even if the entrant is not a member of FIAP; that FIAP will use any means at its disposal for this undertaking; that any refusal to cooperate with FIAP or any refusal to submit the original files as captured by the camera, or failure to provide sufficient evidence, will be sanctioned by FIAP and that in case of sanctions following the non compliance with FIAP regulations, the name of the entrant will be released in any form useful to inform the breaches of the rules. It is recommended to leave the EXIF data in the submitted files intact in order to ease eventual investigations.

Persons who are found guilty of plagiarism are excluded lifelong from FIAP activities.

The entrant is responsible for obtaining a written consent or model release from persons shown in his/her entries. The organizer will not accept any liability in any way for violation of this term.

The organizers assume no liability of any misuse of copyright. Images may be altered, either electronically or otherwise, by the maker. All parts of the image have to be photographed by the author who is holding the copyright of all works submitted.

Terms set by PSA

If at any time, it is determined in the reasonable discretion of the exhibition organizer or the judges before, during, or after the judging of an exhibition that an entrant has submitted entries where one or more images may fail to comply with these Conditions of Entry, including the stated definitions, the exhibition organizers reserve the right to delete the entry from the exhibition and void any or all acceptances or awards in connection with the exhibition. Fees may be forfeited or refunded in these circumstances. The entrant acknowledges that the decision of the exhibition organizers or the judges is final.

In order to ensure that images comply with the Conditions of Entry and definitions, the exhibition organizers may carry out reasonable measures to verify that:

- a) the images are the original work of the entrant and
- b) the images comply with the rules and definitions as set out in these Conditions of Entry.

These steps include, but are not limited to, questioning any entrant, requiring the submission of RAW files or other digital files representing the original capture of the submitted image(s), confronting the entrant with evidence that one or more submitted images fails to comply with the Conditions of Entry (also known as Entry Rules), and offering the entrant a reasonable opportunity to provide counter evidence to refute the exhibition organizer's evidence by a set deadline. Such entries that are not cleared or are still questionable after the entrant has presented evidence may be considered in breach of these Conditions of Entry, and declined. Such entries may be referred to PSA for further investigation of possible ethics violations.

PSA retains the right to investigate in any way all complaints/suspensions of breaches of entry conditions, impose sanctions if deemed necessary, void the acceptances of any image found to violate the PSA rules, include the entrant's name on the list of sanctions provided to Exhibitions, and share such investigations with FIAP. Entrants automatically agree to these terms by the act of entering the Exhibition and agree to cooperate with any investigation.

Sections

- A. Open – Color (PSA PID Color)
- B. Open – Monochrome (PSA PID Mono)
- C. Photo Travel – Color or Monochrome (PTD)

Images may be altered, either electronically or otherwise, by the maker in images submitted in sections A and B above ONLY. Image submitted in section C are subject to restrictions according to PSA Photo Travel Definition below.

Acceptances in A. Open – Color Section shall be credited towards PSA PID Color Star Ratings and Who's Who Color listings.

Acceptances in B. Open – Monochrome Section shall be credited towards PSA PID Monochrome Star Ratings and Who's Who Monochrome listings.

Definitions

PSA Monochrome Definition: *An image is considered to be Monochrome only if it gives the impression of having no color (i.e. contains only shades of gray which can include pure black and pure white) OR it gives the impression of being a greyscale image that has been toned in one color across the entire image. (For example by Sepia, red, gold, etc.) A greyscale or multi-colored image modified or giving the impression of having been modified by partial toning, multi-toning or by the inclusion of spot coloring does not meet the definition of monochrome and shall be classified as a Color Work.*

FIAP Monochrome Definition: *A black and white work fitting from the very dark grey (black) to the very clear grey (white) is a monochrome work with the various shades of grey. A black and white work toned entirely in a single colour will remain a monochrome work able to stand in the black and white category; such a work can be reproduced in black and white in the catalogue of a salon under FIAP Patronage. On the other hand a black and white work modified by a partial toning or by the addition of one colour becomes a colour work (polychrome) to stand in the colour category; such a work requires colour reproduction in the catalogue of a salon under FIAP Patronage.*

PSA Photo Travel Definition: *A Photo Travel image expresses the characteristic features or culture of a land as they are found naturally. There are no geographic limitations. Images from events or activities arranged specifically for photography, or of subjects directed or hired for photography are not appropriate. Close up pictures of people or objects must include features that provide information about the environment. Techniques that add, relocate, replace or remove any element of the original image, except by cropping, are not permitted. The only allowable adjustments are removal of dust or digital noise, restoration of the appearance of the original scene, and complete conversion to greyscale monochrome. Other derivations, including infrared, are not permitted. All images must appear natural.*

All entries shall conform to the stricter of these definitions for acceptances to be validated by all the International Organizations granting recognition or patronage.

Important Notes:

- Monochrome images may not be entered in Color Sections or vice versa. Any monochrome image entered in Color Sections or a color image entered in a Monochrome Section, will be rejected and not judged. Monochrome images are accepted only in B. Open – Monochrome section and C. Photo Travel sections.
- The same image entered in a section cannot be entered in another section of this exhibition. The same or alike images cannot be entered in color and monochrome section by just converting it to monochrome. Such images will be rejected and not judged.
- Images that have been awarded or accepted in previous international exhibitions organized by the Cyprus Photographic Society will not be accepted and they will not be judged.
